America's Communist Party Expel[illegible] Former Professor, Is Report

(Associated Press through Reuter)

New York, January 2.—The New York Times understands that Mr. [illegible] Nearing, whose politics [illegible] was responsible for the loss of his professorships at the universities of Pennsylvania and Toledo, has now been expelled from the Communist Party of America.

Nearing recently antagonised his fellow-Communists by criticising the way in which the Communist Party ran its Presidential campaign in 1928.

A/D. C. I.
Col. Holland is interested in Mr. Scott Nearing.
